ADVANTAGES OF MEMBERSHIP/AFFILIATION

Both members and affiliates are entitled to:

- Be listed in the online membership directory and receive a free copy of the biennial printed membership directory
- Pay lower registration fees for GSA-sponsored meetings
- Receive yeast, Drosophila, Chlamydomonas or fungal genetics meeting information
- Purchase the abstract book(s) of GSA-sponsored meetings for a nominal sum unless you register, in which case the book is free
- Order GSA discount subscriptions
- Participate in consortium bulk purchase of chemicals

Only members are entitled to:

- Receive a subscription to Genetics
- Vote in GSA elections
- Hold GSA office

Please identify your primary research organism on the front of this form and indicate the one meeting for which you wish to receive materials.

DISCOUNT SUBSCRIPTION RATES AVAILABLE THROUGH GSA

GSA members and affiliates can receive substantial discounts off the retail subscription rates of the journals listed below, provided that orders are placed through the GSA Administrative Office. It is understood that these orders are intended for personal use only. Standing orders are not available through GSA. Typically, the publishers will begin mailing issues to you one or two months after your order is received in the Administrative Office. Annual Reviews will be mailed at the book rate in the month of issue.
