Dear Prospective Exhibitor:

You are invited to exhibit at the 46th Annual Drosophila Research Conference to be held at the Town and Country Resort & Convention Center in San Diego, California, March 30–April 3, 2005. **Exhibition dates are March 31–April 2.**

The 46th Annual Drosophila Research Conference will include plenary sessions and workshops, as well as submitted abstracts presented in platform and poster formats. Daily poster sessions are scheduled during exhibit hours and beverages will be served during the scheduled poster presentation sessions. Your company is invited to sponsor the refreshments during one or more of the sessions. If you are interested in sponsorship, please see the information on page 5, or contact me.

In attendance will be senior scientists, academicians, research laboratory directors and staff members, as well as advanced degree students of Drosophila genetics and other biological sciences. Attendance in 2004 reached 1650+ and 2005’s attendance is expected to be slightly higher.

We hope the 46th Annual Drosophila Research Conference is a meeting that will be on your show calendar for 2005.

Sincerely,
Marsha A. Ryan

- Meiosis, mitosis, and cell division
- Cytoskeleton and cellular biology
- Genome and chromosome structure
- Regulation of gene expression
- Signal transduction
- Pattern formation
- Gametogenesis and sex determination

GENERAL INFORMATION, RULES AND REGULATIONS

GSA Exhibit Management will monitor conformity to these Rules and Regulations for the 46th Annual Drosophila Research Conference.

Presentation of Products or Services
The purpose of The Genetics Society of America (GSA) exhibit program is to further the education of individuals involved in genetics research. Therefore, all exhibits must be of an educational character or practical application emphasizing instruments, products or services for use in teaching, laboratories and basic research. Or they must offer books or other publications in scientific fields of relevance to registrants, or that directly convey scientific research findings in those areas of science represented by GSA.

Applications for space and all required information and documents must be received on or before the established deadlines. Applications may be refused or booth space restricted due to space limitations or other reasons determined by the GSA management. In keeping with the educational purpose of the Drosophila Research Conference exhibits program, sales and order taking (entering a contract of sale) are discouraged on the exhibit floor and other related areas during the annual Drosophila Research Conference.

Space Assignment
Space assignments will be made based on date of receipt of complete application, including product descriptions and full payment of applicable fees, on a first-received (date stamped), first-assigned basis. The final arrangements will be determined by Exhibit Management in such a way as to produce the most advantageous grouping of exhibits. GSA shall have no liability if the space location assigned is not as requested.

A description of products and services to be displayed must be received no later than January 27, 2005, along with the application and full payment, as part of this application for review by GSA and to assure inclusion in the Guide to Exhibits and official meeting program.

General Conduct of Exhibits
The following practices are prohibited at the GSA meeting:
1. Noisy electrical or mechanical apparatus interfering with poster presentations or other exhibitors;
2. Operation of X-ray equipment;
3. Canvassing or distributing any material in exhibit hall aisles, convention facility public space or other space outside the exhibitor’s contracted booth space;
4. The use of billboard advertisements and/or display of signs outside the exhibit area;
5. Soliciting participation in surveys or otherwise harassing registrants;
6. Publicizing and/or maintaining any extracurricular activities, inducements, demonstrations, or displays away from the exhibit area during the exhibit hours or scientific session hours of the meeting;
7. Contests, lotteries, raffles or games of chance;
8. Entry into another exhibitor’s booth without their express permission;
9. Photographing, videotaping or examining another exhibitor’s equipment without permission;
10. Subletting of exhibit space; or
11. The use of magicians, fortune-tellers, dancers, puppets or other entertainment of this nature.

Relevant portions of the foregoing prohibited practices are applicable to non-exhibitors at all times. Non-exhibitors may not solicit business from scientific registrants or companies exhibiting, nor will their materials be accepted for distribution on site.
The use of open audio systems is discouraged. Requests to use an open audio system must be approved by Exhibit Management. The exhibitor must agree to discontinue broadcasting if the sound level is deemed objectionable to the registrants or adjacent exhibitors. Playing music in the exhibit hall is prohibited and will be strictly enforced.

The character of exhibits is subject to the approval of GSA management. GSA reserves the right to refuse applications of concerns not meeting standards required or expected. GSA management also reserves the right to curtail or to close exhibits or parts of exhibits that reflect unfavorably on the character of the meeting. This applies to displays, literature, advertising novelties, souvenirs, conduct and attire of persons, etc.

Exhibitors are requested to staff their exhibits with personnel attired in a manner consistent with the intent of the meeting and knowledgeable in the products and policies of the exhibiting company.

Use of Animals
The use of live animals, photographs, videotapes or any other form of visual display of surgery being performed is not permitted in exhibit booths.

Use of GSA Name or Logo
The use of The Genetics Society of America (GSA) name and logo is prohibited on signs or descriptive product literature inside or outside the exhibit area. However, reference may be made to the meeting as the "46th Annual Drosophila Research Conference," that includes place and dates, on the exhibitor's advertising or convention giveaways.

Distribution of Giveaways
Exhibitors will be permitted to distribute appropriate promotional material and approved related items only from the exhibit booth. In keeping with the educational purpose of the exhibit program, all giveaways except literature must have advance approval of Exhibit Management and must conform to acceptable, professional standards. Approval is at the sole discretion of GSA. Exhibitors will receive the appropriate application for proposed giveaways.

Fire Prevention Regulations
The following does not, by any means, totally encompass the Town and Country Resort & Convention Center fire codes. However, it does provide basic guidelines governing exhibits/material flammability.

1. Display Construction: Combustible materials must be treated with an effective flame-retardant material. All curtains, drapes, carpet, carpet padding and decorative materials must be made of flame-retardant materials or sprayed with a flame retardant.

2. Volatile or flammable fluids, gases, substances or other materials, including aerosol cans with flammable propellants, gas operated cooking equipment, wood matches with all-surface strikes, portable heating equipment and excessive display literature are prohibited in the Town and Country Resort & Convention Center.

3. Storage: Nothing may be stored behind space drapes. All packing containers, wrapping materials, carrying cases, etc., must be stored off the exhibit floor. The Town and Country Resort & Convention Center representative will inspect all exhibit space to ensure compliance.

4. Drainage Systems: No oils or combustible liquids are to be poured into the Town and Country Resort & Convention Center drainage or sewer systems. Proper disposal methods must be provided by the exhibitor and approved by the Town and Country Resort & Convention Center.

5. Emergency Equipment: No emergency phones, alarms, sprinkler valves or hose connections may be obstructed by booths, stands, signs, displays or any other items of an exhibit.
**Enforcement of Rules**

By applying for exhibit space, an exhibitor agrees to adhere to all conditions and regulations outlined in this brochure. Conforming to these Rules and Regulations for the 46th Annual Drosophila Research Conference will be monitored by Exhibit Management.

Each exhibitor is granted nothing more than a terminable license to exhibit, subject to all the rules herein and the general control of GSA. If GSA determines that any exhibitor has failed to comply with any rules herein or any directive issued to the exhibitor by GSA Exhibit Management, the license may be terminated and the exhibit closed without notice. In all interpretations of the Rules and Regulations, GSA Exhibit Management's decision is final.

**Space Cancellation and Reduction**

Cancellation and reduction notices must be submitted in writing to Exhibit Management.

Cancellation and Reduction Assessments:
- If canceled or reduced on or before January 27, 2005, entire payment will be refunded.
- If canceled or reduced on or before February 25, 2005, 50% of total cost of all space will be refunded.
- If canceled or reduced after February 25, 2005, exhibitor forfeits 100% of total cost of all space leased.

**Installation of Exhibits**

Wednesday, March 30: 12:00 PM–5:00 PM (Permission to work after 5:00 PM may be obtained from GSA Exhibit Management.)

Please note that children under the age of 12 are not permitted in the exhibit hall during set-up or dismantling of exhibits. A labor crew will be available on set-up day in accordance with advance orders. Exhibitors are urged to order all necessary labor and services in advance. A complete set of service order forms will be sent to each exhibiting company.

All exhibit material must be unpacked by 4:00 PM, Wednesday, March 30, to permit removal of empty crates and cartons from the exhibit area. Any exhibit that is not unpacked by this time will be placed in storage and can be returned only after the exhibits close on the first day of exhibiting. Or GSA Exhibit Management may order the exhibit set up by the decorator and the cost charged to the exhibitor. No refuse, such as empty cartons, may be placed in the aisles after the final sweeping of aisles in the exhibit area. Booth space cleaning is not included in the cost of the booth and must be ordered in advance.

**Preliminary Schedule of Exhibit Hours**

Though registrants have access to the exhibit and poster area to view posters on a 24-hour basis beginning Wednesday, March 30, at 5:00 PM, specific exhibit and poster viewing sessions are scheduled to assure traffic through exhibits at predetermined times. Currently two poster presentations are scheduled, though times are subject to changes made by the program committee. GSA Exhibit Management will make every effort to inform exhibitors as soon as schedule changes, if any, are made.

Use of Exhibit Space
The aisles are the property of all the exhibitors. Therefore, each exhibitor has the responsibility to assure proper flow of traffic through the exhibit area. Do not place your demonstration areas on the aisle line of your exhibit if you expect many people to congregate at one time. Leave space within your own exhibit area to absorb the majority of the crowd.

Security
The Exhibit Hall will be open to meeting registrants on a 24-hour basis beginning at 5:00 PM on Wednesday, March 30, until 11:00 AM on Sunday, April 3. GSA will have a security guard posted at the entrance to the Hall for the sole purpose of assuring the safety of meeting registrants, not to watch equipment, displays or materials of exhibitors.

Guard is not intended to secure the property of exhibitors, employees of exhibitors or others. Exhibitors are solely responsible for the security and safety of their equipment and materials. The exhibitors should consider hiring security to guard their exhibit and materials during times when exhibitor’s personnel are not staffing the exhibit. The GSA and its employees, the Town and Country Resort & Convention Center, the Drosophila Board of Directors, Brede National Exposition Services, and the contracted security company will not assume liability for any losses of any materials nor items taken from the Exhibit Hall nor from the Town and Country Resort & Convention Center. Exhibitors are expected to take all appropriate measures to safeguard their displays and equipment.

Guest of Exhibitor badges permit entry only to the commercial exhibits area and do not authorize entry to scientific sessions or to the scientific poster area.

It is the responsibility of the exhibiting company and its representatives to inform guests of all rules and regulations contained in this brochure.

GSA reserves the right, without refund, to refuse to allow the placement or maintenance at the Conference of any exhibit that does not in good faith substantially conform to the description provided with this instrument or which contains unrelated material(s).

To secure space, Exhibitor has enclosed with this application the total payment of $1250 (commercial exhibitor) or $500 (not-for-profit exhibitor). Payment by check or charge to VISA, MasterCard, Discover, or American Express will be accepted. GSA agrees that Exhibitor may cancel or reduce the amount of space applied for on this agreement on or before January 27, 2005, and that if it does so, the entire amount will be refunded. If Exhibitor cancels this agreement or reduces the amount of space applied for after January 27, 2005, but on or before February 25, 2005, GSA may retain 50% of the payment for each space reserved. If Exhibitor cancels this agreement or reduces the amount of space applied for after February 25, 2005, the total cost of reserved space will be retained by GSA.

This contract solely confers a license by GSA on behalf of the 46th Annual Drosophila Research Conference to Exhibitor to use a space or spaces to be assigned for exhibition purposes in the exhibit area of the conference. It shall not be construed in any way as an approval, endorsement or recommendation of the content of any exhibit or the products or services displayed in an exhibit, nor to create any agency relationship between GSA and Exhibitor, nor entitle Exhibitor to any use of the name “The Genetics Society of America” or the initials “GSA” except that reference may be made to the meeting as “The 46th Annual Drosophila Research Conference” (with place and dates) on the Exhibitor’s advertising. GSA’s sole responsibility and obligation under this contract is to permit Exhibitor to use the assigned exhibit space. The exhibit and its installation shall be solely the responsibility of the Exhibitor. Exhibitor warrants that it shall, at its own cost and expense, obtain all necessary licenses, permits and insurance required for its installation and maintenance of its exhibit and any of its employees or agents associated with its exhibit and that it shall pay all taxes and fees incident thereto.

Exhibitors should consider hiring security to guard their exhibit and materials during times when Exhibitor’s personnel are not staffing the exhibit. The GSA and its employees, the Town and Country Resort and Convention Center, the Drosophila Board of Directors, Brede National Exposition Services and the contracted security company shall not assume liability for any losses of any materials nor items taken from the exhibit hall nor from the Town and Country Resort & Convention Center. Exhibitors are expected to take all appropriate measures to safeguard their displays and equipment.

In consideration of the grant of the license, Exhibitor agrees that it shall be liable for any loss or damage to its exhibit or any of its property or the property of its employees or agents and for any loss or damage which may be caused to others as a consequence of its exhibit or acts or failure to act by its employees or agents and further agrees to protect, indemnify and hold harmless GSA, the Town and Country Resort & Convention Center, Brede National Exposition Services, GSA Exhibit Management and their respective officers, employees and agents from all claims, losses, damages, or any other costs (including, but not limited to, governmental charges or fines and reasonable attorneys fees and litigation costs) arising out of Exhibitor’s use of exhibit space, as well as any additional costs incurred as a consequence of any material or equipment remaining, left or abandoned by Exhibitor after the time for removal of such material or equipment.
